Movie Night -- A. I. Revolution

A.I. Revolution is a timely documentary that shows how this cutting-edge technology holds remarkable promise in the fields of drug discovery, cancer, emergency preparedness, prosthetics and more. At the same time A.I. is a powerful tool for more sophisticated deception and has the potential to threaten jobs and privacy.

Which will win? You decide!

iPhone How To

Thursday November 20/21 at 1:30 PM via Zoom

Instructor: Gerry Hornik

Struggling with your iPhone? Learn its basic gestures, operations, components, options, and tips to improve its use. Get your questions answered on the second day.

PLATFORM: iPhone **LEVEL:** Beginner

Note: This class will be given over two days. You only have to register once. Please use the same zoom link both days.

Click to Enroll: Save the date: **ENROLLMENT OPENS NOV. 1st**

***Unless otherwise noted, MS Word and Excel classes** are taught using the Windows versions of these programs. Mac users are welcome to take these classes, but some features of the Mac versions may differ.

Wait List

If the class you want to take is full, please be sure to put your name on the Wait List. It is quite common for registered students to cancel their registration, making way for others to be bumped from the Wait List to active enrollment status. And, **if we have a 6 or more students on the Wait List, our instructors are now committed to immediately adding an additional class**, with priority registration offered to those on the list.

About Flash Classes

Flash classes are free and are only available to Active (paid) members of the Computer Club. Registration is generally limited to 15 students. To register, click on the links shown above, or go to the Flash Class tab at www.caccor.com

What's New in the Member Forum?

Ask questions, provide answers, buy, sell, trade or give-away equipment and devices.

Non-members may now access the Computer Club's online Forum. This change will help our members make the most of the Forum by opening up participation to a wider audience.

What's new in the Forum?

Drop-in Tech Support at the Computer Center

Drop-in technical support services for laptops and handheld devices are available in the Computer Center during regular Center hours. Services are offered on a first come, first served basis. Support is available to all Computer Club members, as well as to any Rossmoor resident.

Please note: Because our support services are dependent on volunteer availability, there may be some instances when a session will be cancelled.

	Monday	Tuesday	Wednesday	Thursday	Friday
